

CONSTRUCTION NOTICE

To: Residents
Project: Cawthron Crescent Stormwater Upgrade-Catchment 2
Date: 6 May 2024

Kia ora,

Nelson City Council has contracted Nelmac Ltd to install new stormwater pipe, manhole & sumps in your neighbourhood. This will help improve stormwater management during rainfall events. The details are as follows:

Type of Work: Installation of new stormwater pipe, concrete manholes & sumps. Work will also include new property connections to the stormwater system.

Location: Cawthron Crescent, Properties # 13 to 29. The map attached shows the work area.

When: 27 May 2024 to 28 June 2024 (weather and ground conditions dependent).

Working hours: Starting at 7:00 AM (weekdays) and finish around 5:00 PM.

Traffic and pedestrian management will be in place. Traffic Management to be used is "Traffic lights Stop-Go Alternating Flow". This will involve manually operated temporary traffic lights. Please note there will be construction noise and vibrations during working hours.

If you have any questions regarding this notice, including possible restrictions, please contact Nelmac site supervisor Wayne Watson on 027493 3399 or use my contact details below.

This work is part of the Cawthron Crescent Stormwater Upgrade project. If you have any questions or queries about this construction project, please contact Nelson City Council Project Manager Wale Ilori on 03 545 8835.

We appreciate your co-operation and will endeavour to complete this work in a timely manner.

Yours sincerely,

Prasad R
Contract Manager.
