## SH6 Rocks Road Stormwater Upgrade

Dear Resident/Business Owner,

### Roadworks in your area

Following investigations late last year, it has been identified that three stormwater culverts on State Highway 6/Rocks Road, are in poor condition and need to be replaced. These culverts are located between Bisley Avenue and Magazine Point. These will be replaced from 6<sup>th</sup> April 2021, and the work will go until the end of May 2021.

Installing the culvert pipes will require excavation across SH6 Rocks Road, which will need to be completed in three stages.

- Stage 1 Outlet Works (seawall side) – approx. 2 ½ weeks. Two-way traffic flow will be maintained in temporary lanes at all times. **(7.00am – 6.00pm)**
- Stage 2 Soft Road Closure - Crossing Works – approx. 2 weeks. During evening hours the road will be closed to all traffic, except heavy vehicles, residents and cyclists. Stop/Go traffic control in place, the road will be re-opened to two-way traffic each morning. **(7.00pm – 6.00am)**
- Stage 3 Inlet Works (inland side) – approx. 1 ½ weeks. Two-way traffic flow will be maintained in temporary lanes at all times. **(7.00am – 6.00pm)**

The above dates are subject to change due to wet weather or other unforeseen circumstances.

Temporary speed restrictions will be in place and traffic management staff will control traffic.

During Stage 2 Road Crossing Works, all road users except heavy vehicles, residents and cyclists will be detoured via the following routes. Please see location of works and road closure maps on following pages.

Richmond to Nelson traffic:

- From SH6/ Annesbrook roundabout head east along Whakatu Drive then continue straight through onto Waimea Road (over Bishopdale Hill) into the city. Turn left onto Halifax Street then turn right onto Haven Road.

Nelson to Richmond traffic

- From SH6/ Haven Road roundabout head south along Haven Road then turn left onto Halifax Street then turn right onto Rutherford Street/Waimea Road. Continue through onto Whakatu Drive.

Tahunanui Drive to Nelson traffic

- From SH6/ Bisley Avenue intersection turn right onto Bisley Avenue then turn left onto Moana Avenue then continue straight through onto Princes Drive then turn right onto Washington Road then turn left onto St Vincent Street then straight through onto Haven Road.

#### Nelson to Tahunanui Drive

- From SH6/ Haven Road roundabout turn left onto Haven Road then straight through onto St Vincent Road then turn right onto Washington Road, left onto Princes Drive then continue straight through onto Moana Avenue then turn right onto Bisley Avenue.

#### **How will this work affect you?**

While we always aim to do our work with as little disruption as possible, we know that roadworks can be inconvenient. We apologise in advance for this.

If you have difficulty getting to or from your property during these works, please don't hesitate to contact Fulton Hogan staff on site and they will assist you in any way they can.

For your safety and the safety of our road crews please drive carefully, beware of cyclists and stick to the temporary speed limits that may be in place.

#### **A big thank you from Nelson City Council**

On behalf of Nelson City Council, thank you in advance for your patience and understanding while we do this important work in your community. This vital infrastructure will improve the resilience of your area well into the future/in the years to come.
