Toi Toi Street / St. Vincent Street safety improvements

Kia ora,

The Toi Toi Street / St Vincent Street roundabout has a history of crashes involving pedestrians and cyclists. Nelson City Council is upgrading this intersection to make it safer, including four raised crossings to help walkers and cyclists safely cross the road.

This letter is to let you know that work will shortly begin around this roundabout.

When is this starting?

This work will begin in the week starting 13 May 2024. It will go on for approximately 12 weeks (depending on the weather).

What is happening?

Council's contractor Schick is completing this work. It includes installing raised crossings, stormwater modifications, pavement construction and road sealing.

During the construction, there will be road closures, and a detour in place. The map (Figure 2) outlines the work area and where the road closure will be (south side of St Vincent Street, East side of Toi Toi Street).

A detour route will be in place for all users. Foot access to the businesses at the intersection will not be affected. Due to the closure, eBus Route 3 will be diverted. The eBus will not travel down Totara. It will continue along Vanguard St, diverting down Northesk Street. These stops will be closed for the duration of the work: Totara Street at Victory Community Centre, 178 St Vincent Street, Opposite 168 St Vincent Street. There will be temporary stops on Northesk Street

Who can I ask questions about this project?

If you have any questions or concerns, please don't hesitate to contact Caine or Lewis using the details at the bottom of this page. Please note that this is an active work site with multiple hazards present there is strictly no public access.

If you have any questions for Council, please call 03 546 0200.

How can I keep up to date about the project?

Project updates will be posted on Shape.Nelson.govt.nz and click on "Intersection Safety Improvements".

Who can I contact from the project team?

Caine Tukua
Site Supervisor
Phone: 027 945 6038 / 0800 4 SCHICK

Email: caine.tukua@schick.co.nz

Lewis Wilson
